AH COUNTER'S REPORT

Name: _____ **Date:** _____

Introduction Script: "As the Ah-Counter, I will take note of all filler words or phrases (such as you know, like, so, and/and so, yeah, right, ah/uh, um/er), sounds (such as sighs, lip smacks, tongue clicks), false starts (where I start to say something and pause to start again), redirections (where I suddenly change to another thought from the original), Xerox's (saying the same word or phrase connectively (I was, I was), or anything that takes away from and is distracting from the speech. I will give a report when asked to do so."
