

GRAMMARIAN'S REPORT

Name: _____

Date: _____

Before the Meeting: Send the "Word of the Week" to the Toastmaster and VPE.

Introduction Script: "As the Grammarian, my first duty is to introduce the word of the week, which you can find on your agendas for reference. The word of the week is *(word, followed by definition, followed by example)*. When the word of the week is used by a speaker, we will snap our fingers as acknowledgement of using the word, as well as those who use the word of the week will receive an extra vote (only 1) which will be submitted by our vote counter when we vote for best tabletopics speaker, prepared speaker, and evaluator. My second duty is to listen to each participants diction and take note of any bad grammar, or interesting/good phrases or usages of the English language. Finally, I will give a report of my findings when called to do so."
