

TOPICSMASTER'S SCRIPT

Name: _____ Date: _____

Introduction Script: "As the Topicsmaster, I will run the impromptu speaking portion of the meeting. Table Topics offers the practice of speaking off the cuff with a topic you may or may not know much about. The purpose of Table Topics, besides the impromptu speaking, is to allow any member without a role or a guest to speak and practice their public speaking skills during the meeting.

Here at the club, we conduct this with PPP: Play, Pass, Pivot. Play is when you will answer the question as presented. Pass is where you may decide not to answer a question that is not recommended, and it leads us to Pivot, where you can answer another question or talk about something else entirely. Remember to use the word of the week. I will ask the question, call upon a member, and then state the question again."
